

Engage God Daily

Pardon our dust! The Engage God Daily is under renovation.

Next week we're launching a redesigned Engage God Daily, but it's not quite ready to show off.

So, this week we're inviting you to check out the Engage God Individually section of our new Discipleship Pathways. Explore resources that can help you cultivate your unique relationship with God.

Day 1

At Christ Fellowship, we believe there are four practices that are essential to Christian growth: engaging with God individually, connecting with other believers, worshipping together in a gathering, and personally impacting others.

Because people are in different places in their spiritual journey, they may need to approach these practices differently. That's why we've developed Discipleship Pathways.

[Click here](#) and watch the video to get an overview.

Each day this week, we'll be highlighting one of our Discipleship Pathways. You may find a next step that is just right for you.

Today we're touring the [Exploring Pathway](#).

Visit some of the resources that could help you engage God individually *today*.

Day 2

Hello! I hope you can hear me over the sound of hammering and sawing in the background. The Engage God Daily is undergoing renovations this week! But don't let that keep you from spending time with Jesus today.

Here at Christ Fellowship, we've recently unveiled Discipleship Pathways. No matter where you are on your spiritual journey, we want to provide resources to help you take your next best step in following Christ. These resources will be updated and refined, so keep checking back.

We've aligned these resources with our four practices: engage God individually, worship in a gathering, connect in a group, and impact others personally. Today, take a look at the [Growing Pathway](#) and discover resources that might be right for you.

Day 3

The Engage God Daily is tucked away behind a black drape as it undergoes a redesign. The new version, plus an exciting addition will be ready for the big reveal next week as we launch our next series, Greater Than: Experiencing Christ through Colossians.

In the meantime, please allow us to direct your attention to another new attraction here at Christ Fellowship — Discipleship Pathways. Our desire is to help you take your next best step to follow Christ. We'll be continually updating and improving this site, so you'll want to bookmark it and return to see what's new.

So far this week, you've toured the [Exploring and Growing pathways](#). Today, check out the [maturing pathway](#) to see what's available.

Day 4

We're busy putting the finishing touches on the Engage God Daily redesign. Soon, we'll reveal a streamlined experience that puts Bible study tools directly in your hands. We've also been working on a brand-new addition to help you get the most out of the Sunday morning sermons.

We have one more pathway to explore along the Discipleship Pathway. Sometimes in life you hit a roadblock that you need extra help to get around. That's where the [Restoring pathway](#) comes in. It's for people who have experienced the loss of a loved one or divorce, or need to focus on recovering from an addiction, improving their marriage, or getting control of their finances.

Day 5

Thanks for sticking with us while the Engage God Daily is under construction. We appreciate your patience!

On Monday, you'll discover a leaner, streamlined [Engage God Daily](#) in your inbox, on the Christ Fellowship App, or as a downloadable PDF. If you like the way you're getting this resource, you don't have to change anything. You'll get the Engage God Daily the same way you're getting it now.

In the redesigned Engage God Daily, we'll be pointing you to the [Faithlife Study Bible](#). It is an incredibly helpful resource that you can use alongside your favorite translation. And it's free!

All you have to do is sign up for a free Faithlife account. This free account also allows you to participate in Christ Fellowship's Faithlife Community group where we can have meaningful conversations about what we're learning in God's Word.

So go ahead and prepare for Monday and the launch of the new sermon series, Greater Than: Experiencing Christ through Colossians by following the instructions below.

1. Sign up for your Faithlife account and get free Bible study resources at [Biblia.com](#). You can also download the Faithlife App to your phone or tablet.
2. Once you have created your free account, you can log into [Faithlife.com](#) or use the Faithlife App and add Christ Fellowship McKinney and Engage God Daily to your groups. It will be another place where we can all share resources and have meaningful conversations about how we're experiencing Christ.
