

Christ Fellowship

LOOKING FOR OUR NEXT SENIOR PASTOR!

Our story began in 1995, when Bruce Miller heard a call from God to plant a church in the rapidly growing community of McKinney, TX. He answered the call with a faithful team from what is now Chase Oaks Church (Plano, TX), and launched what would become Christ Fellowship. God has had his hand on our congregation every step of the way, as he's grown us from a small group of folks meeting in a middle school to a few thousand worshipping in two languages, in our own custom-built building.

Last year, Bruce heard God's call again. But this time, God was calling him to move into a different role serving our church and the greater kingdom cause. Bruce answered the call, and with the help and support of our Elders, developed a new role at the church: Founding Pastor.

When the next Senior Pastor begins his role, Bruce will shift into this new role, and serve Christ Fellowship in new ways. He will not have day-to-day operational leadership, be on the Elder team, or have staff directional responsibilities. Rather, at the new Senior Pastor's discretion, Bruce will be available to care for people, teach, and engage in missions within our community and the world, as well as mentor the next Senior Pastor.
